Addendum # 2

February 21, 2023

Dear RFP Holder:

The following addenda is in addition to Addendum # 1, issued on February 14, 2023. These addenda apply to the Highway 30 Wildlife Underpass - Construction RFP. Project proposals are still due via email by **4pm on February 23, 2023**.

Addition to Appendix B – Bidding Requirements, Section 00 21 13 – Instructions to Bidders for Palensky Wildlife Underpass Project for CREST, Part 3.2 – Contractors Qualified for Inclusion in the Bid Proposal as Pipe Ramming Contractors.

K.E.I Directional Drilling submitted the required prequalification materials to CREST and the Project Design Team. Upon review of the provided resume and qualifications, K.E.I and Dennis True *meet the minimum qualification requirements* as a company and superintendent. As a result, K.E.I Directional Drilling has been added to pre-qualified Pipe Ramming Contractors list. The list of Contractors qualified for inclusion in the Bid Proposal as Pipe Ramming Contractors now includes:

- A. JW Fowler
- B. NW Boring Company, Inc.
- C. Gonzalez Boring and Tunneling
- D. Armadillo Boring
- E. Michels Corporation
- F. K.E.I. Directional Drilling

As before, please email all proposal documents in PDF form to Jason Smith (jsmith@columbiaestuary.org) and Cc Tom Josephson (tjosephson@columbiaestuary.org)

Regards,

Jason R. Smith
CREST Habitat Restoration Project Manager
